HOBBIES

Being a dynamic CSE graduate, my curiosity and passion have compelled me to work in different corporate organizations alongside my studies throughout my university days. My active involvement got me a better understanding of how marketing works in real life and enhanced my expertise in the field of programming. However, I do believe I still have a long way to go. My array of interests also includes working in fields.

EDUCATION

Daffodil International University   **2019**
B.Sc in CSE

Bheramara College, Science, Jessore   **2014**
